## Eliminator Billiard Fabric

You want a fast cloth? Eliminator will beat any cloth off the line. Eliminator is a tournament fast cloth, designed with European traditions in mind but without the traditional costs.

At 66" wide and 100% wool Eliminator Billiard Fabric is one of the fastest clothes ever available and with just enough stretch to make for an easy installation.

At 21oz and one of the tightest weaves available there is nothing better for the serious player who plays in the fast lane.

## Premier Billiard Fabric 14-160 - 14-188

The name says it all. Premier Cloth is for the discerning player who wants the traditional roll. At 22oz with a 75/25 blend and a finishing process that is second to none, Imperial has developed one of the finest clothes available in the market today. This cloth is strictly for the player who understands this is not just a game.

## Leisure Billiard Fabric 14-860 - 14-888

The Leisure line of billiard fabric from Imperial is the best value for the quality in the industry. With an 80/20 blend it is a great weight for the commercial environment and the family table. At 20-21oz and 65" wide Leisure Billiard Fabric is a perfect choice at an even better price.

*\*14-883 Electric Blue, 14-884 Mahogany, 14-885 Evergreen, 14-887 Olive, and 14-888 Bronze are Available but Not Shown in Premier and Leisure Billiard Fabrics.*
